### Ronn Moss's Wedding Album, Exclusive

By Tommy Garrett

BEVERLY HILLS —Last month Tina O Hillstrom, the super socialite from Beverly Hills not only attended but was matron of honor at the wedding of Ronn Moss and Devin DeVasquez. Ronn is one of the most popular soap stars in television history, who has played Ridge Forrester on "The Bold and the Beautiful" for over 20 years. Tina O gave Ronn some advice: "I told him, his character Ridge has been married so many times, he has rice dents on his tuxedo. Also, marriage is the triumph of imagination over intelligence. And second marriage is the triumph of hope over experience." Ronn's previous marriage was to actress Shari Shattuck, whom he shares two beautiful daughters, Creason, 15 and Calee, 10. Both beautiful young ladies also were in the wedding party. Moss has made it his mission to be the world's best father. Tina O tells Canyon News, "He's a superior daddy!"

Tina O met Ronn and Devin through mutual friend Jane Booke, a famous designer who lives in the Hancock Park district of L.A. "The wedding was charming, clad with horse and carriage," reports Hillstrom. A frightening moment occurred when the 4-year-old ringbearer announced he was no longer bearing the ring. After an half hour of Tina and others crawling around on the floor, it was found in the tracks of a sliding door. Relief came over the room.

The night before the wedding, Tina and Devin were talking hair, make-up and the fact that the best man was Lorenzo Lamas. Lamas co-starred with Moss on "B&B" and is also part of Hollywood royalty. Hillstrom reports, "Lorenzo is footloose and fianc  free. He broke up with Barbara Moore almost three years ago, but they are today very good friends. Barbara has since gotten married and had a baby girl and has returned to L.A."

Some of the other bridesmaids and guests included Cindy Margolis, Barbara Moore, Dr. Brad Hillstrom and handsome star Winsor Harmon, who plays Thorne Forrester on "B&B." Two weeks before the beautiful wedding Devin's bridesmaid's luncheon had to be canceled due to illness of Tina O Cindy. "That's why I decided to just give everyone their gifts at the rehearsal. It's funny, I'm not nervous at all because I know I'm marrying the right guy, but I'm just concerned that I'm forgetting something," Devin told the guests. Tina pointed out and comforted Devin by reminding her every bride goes through this. To everyone's shock, Tina O's toast lasted only five minutes instead of the half hour she normally takes. Devin pointed out, "Ronn and I got our marriage license the same day Brooke and Ridge [B&B] did for the umpteenth time on the show. What a weird coincidence," DeVasquez says laughing.

Other guests included Wally Crowder and his wife Lori Ann-Crowder. Wally is a stunt coordinator for movies and TV shows such as "Dexter" and "Desperate Housewives." He performed the hysterically funny wedding ceremony as he told everyone he tried to talk Ronn out of this, but then don't all best friends? His twin daughters, Kirstie and Kayla each were included in the wedding party, one on the bride's side, the other on the groom's. They were both quite adorable. Also, in attendance were Nadia Bjorlin, who plays Chloe on "Days of Our Lives." She is also renowned for her soprano voice, and she sang the Themem song at the wedding ceremony from "Romeo and Juliet," and it sent shivers down everyone's spine. Also, her beau in two, Brandon Beemer, the handsome star of "B&B" who portrays Owen Knight.

Tina led the reception until 3 a.m. and got up to a champagne brunch in which she never got out of her PJ's.

Following the wedding, the couple taped an episode of the "Newlywed Game." They taped with Davy and Jessica Jones, which airs in January 2010.
